

PAWS

This page added for proper pagination in electronic book format.

Welcome to the 1988 PAWS. In the following pages, we will attempt to show you the school year 1987-88, a time when there wasn't a care in the world.

Step back with us into the halls of Riverside and see all of your friends in the Student Life section on pages 1-15. Remember how everyone looked in 1988, whether they were SENIORS, (pages 16-32), JUNIORS (pages 33-40), SOPHOMORES (pages 41-46, or FRESHMEN (pages 47-52). How much did you learn that year? Take a refresher course in the ACADEMICS department on pages 55-64. How active were you in school? Find out in the CLUBS AND ORGANIZATIONS department on pages 65-84. Feel that exciting tingle of Panther Pride again when you look through the SPORTS section on pages 85-106. And finally, remember the people who made this book possible, the ADVERTISERS, on pages 107-143.

1988 was our time — a time for laughing, growing, and being together. So turn through the pages and reminisce a little. All the memories are here. And remember

YOU CAN NEVER GO BACK . . .

Tammy Johnson — After school is "Happy Hour" at the Sonic!

PANTHERS ON THE PROWL

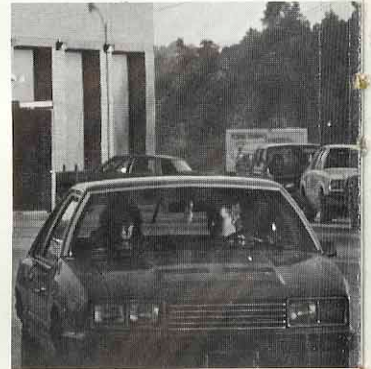

"I don't like them Yellow Dogs much," said Clayton Armstrong when asked what he thought about the bus. That seemed to be the general response to that question around Riverside. The bus, though, is most students' main transportation to RHS. Those who drive their own cars don't always have it that good, though. Everyone seemed to agree that there are two big disadvantages to driving: Finding a good parking space, and getting to class on time!

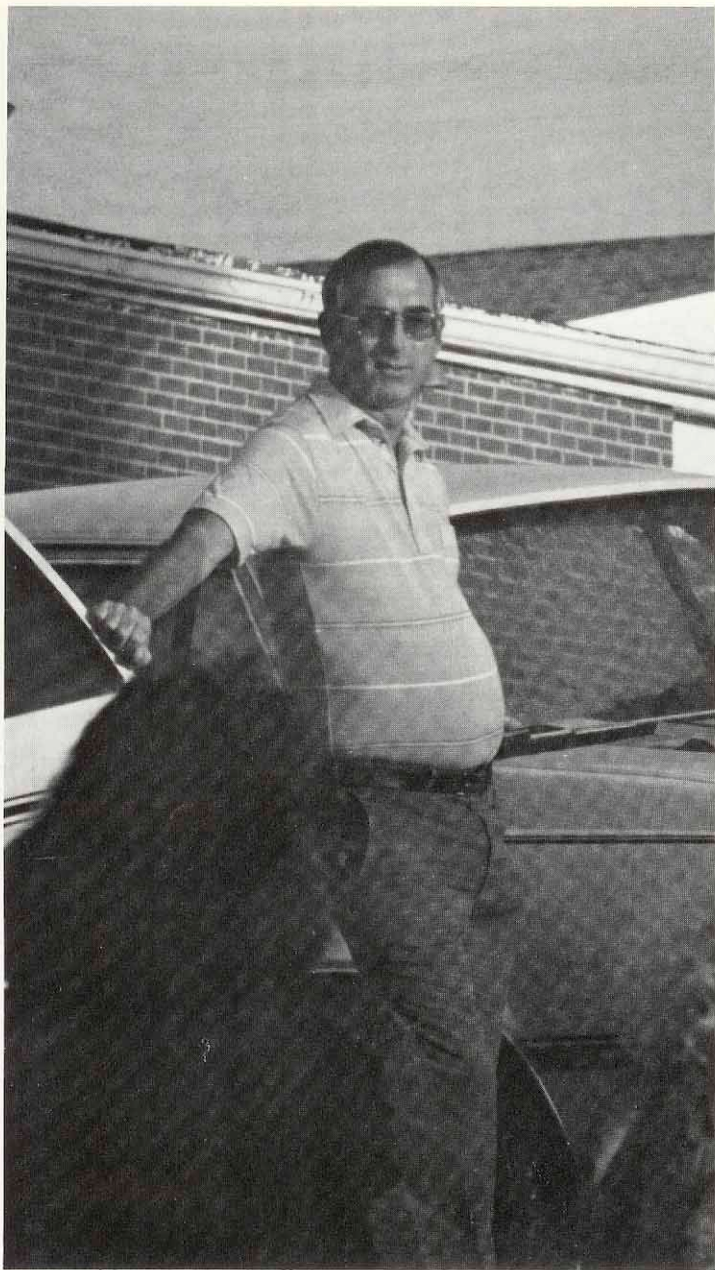

Renee Douglas — "If I have to ride that bus one more time ..."

Chana Davis, Valerie Townsend, and D.J. Wood — "Yes, we're late!"

Shelly Barber — "Do I have to get out?"

Coach Barrett — "Gotchal!"

"Looks like we made it!"

Clayton Armstrong — "Hey it's running!"

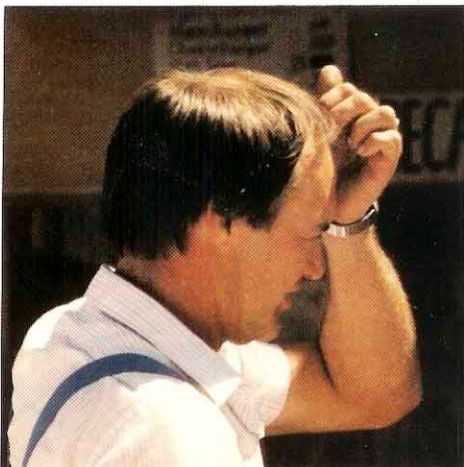

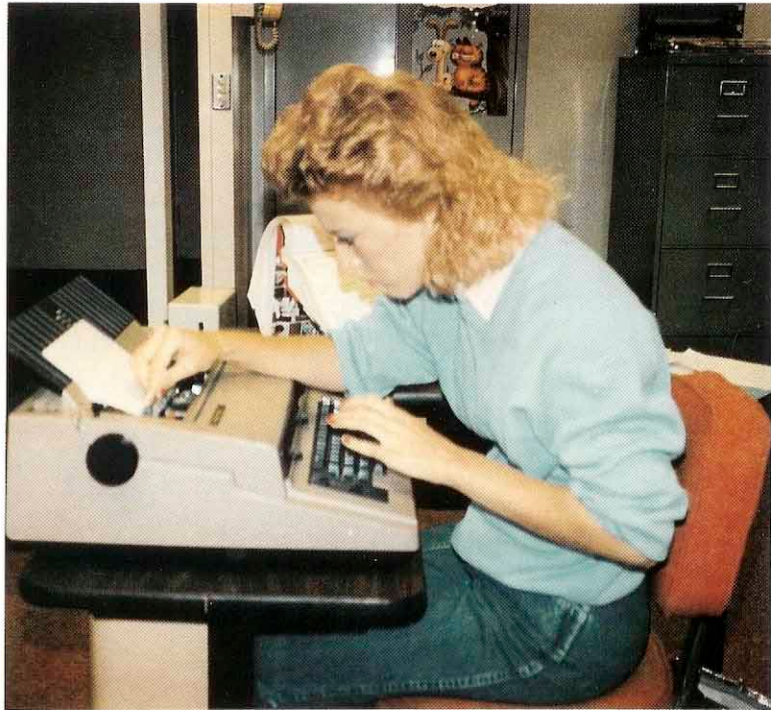

David Pulley — "Here I go again!"

PAWSing to Think

"This typewriter is driving me crazy," says Melody Box as she works in VOE class.

As we begin another day at good ol' Riverside we find that many people feel it necessary to collect their thoughts or just meditate a few moments prior to class.

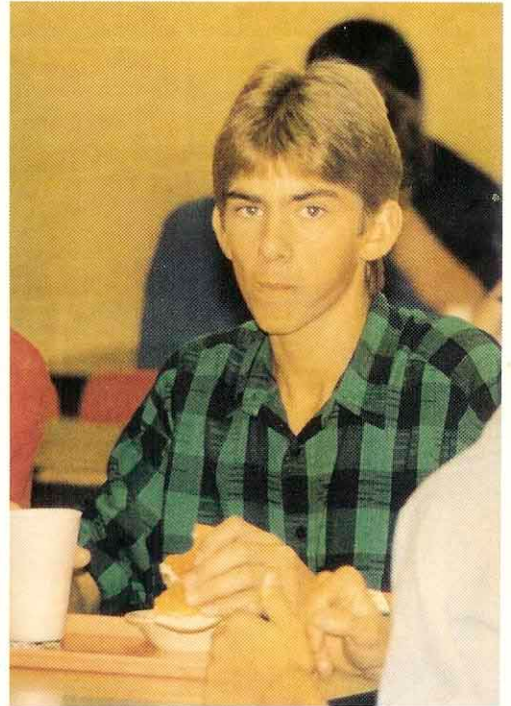

We also find Chad Odle pawing to cool off while at the fair. "Boy, it's hot" says Chad in 96 degree weather. Chad is one of the students at Riverside who, like everyone, needs a moment to collect his thoughts.

Kim Cotham — To eat or not to eat.

Mr. Smith is thinking about it.

"It's too early in the morning to think" says Valerie Townsend as she prepares for a chemistry test the following period.

Brian Higdon says "I think I'm going to be sick" as he takes another bite of his lunch. Brian is a sophomore at Riverside.

"Another class another nap," is the philosophy of junior Charles Slaton as he stirs during an English lecture.

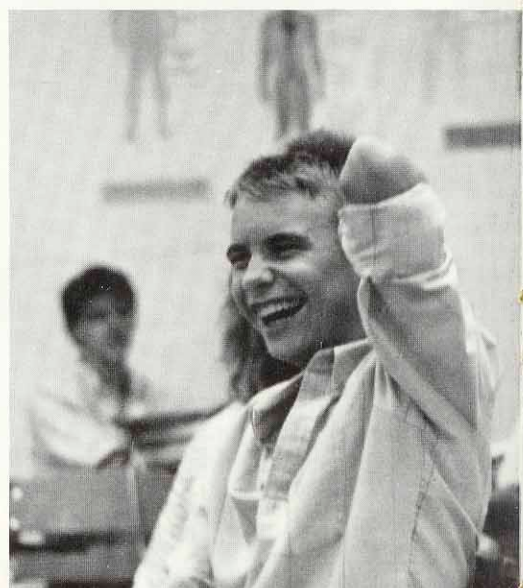

and just PAWSing.

ROARING

"Really, though!"

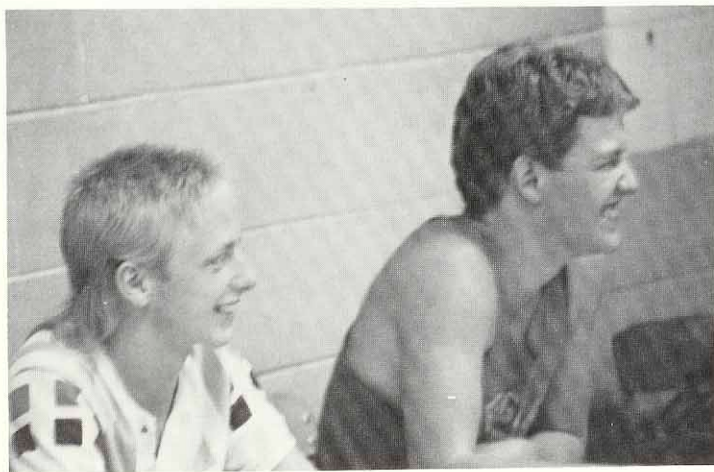

Staff Conference? Hmm . . .

"What are you doing?!"

WITH LAUGHTER

"We're so special!!!"

What makes you happy? That was the question these Panthers were asked. There was a variety of answers, from playing tennis to being with someone special, but the thing that makes us the happiest is just being with friends. Smile!

All cracked up

"Did you see that?!"

CLAWING THE WAY TO THE TOP

Amy Johnson — Future Pharmacists of America!

DeAnna Montgomery — Not a care in the world!

Michelle Merrell — "I don't know, I just work here!"

Michael Austin — Hose'em down!

*Tara Lackey —
"Hello?"*

Jennifer G. Scott — "Did you eat my sandwich?!"

*Berry Weatherford — Hang on, Berry.
Friday's coming!*

Charity Robbins — "Now how
can I get out of this test?"

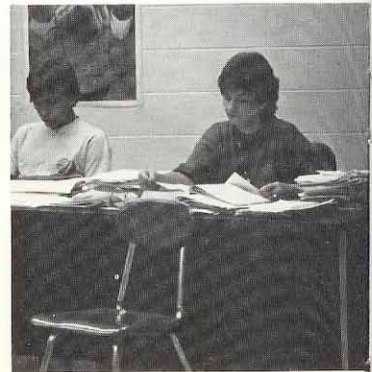

PANTHERS LEAVE THEIR MARK

*Mr. Smith and Tony Jordan —
"Here let me show you . . ."*

*Ken Graves — "Let's see what
this button does!"*

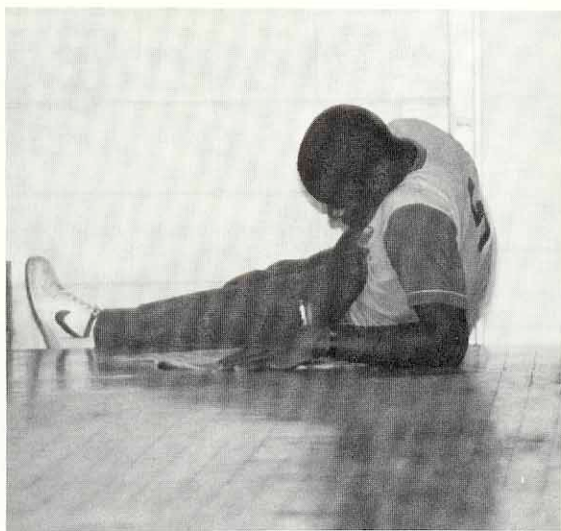

Jon Phillips and Ms. Roberts — Getting serious

Stephanie Hamm — "Decisions, decisions!!"

Study, study, study! Does it ever end? Sure it does, and all too quickly. That's why these Panthers are all studying, so they'll be ready when the time comes. Let's hope that while they're leaving their mark, they'll be making good ones!

Jason Scott — "Is this shirt clean?"

Jamie Pettigrew — Setting down to work

Carrie Hickerson — Classic Concentration

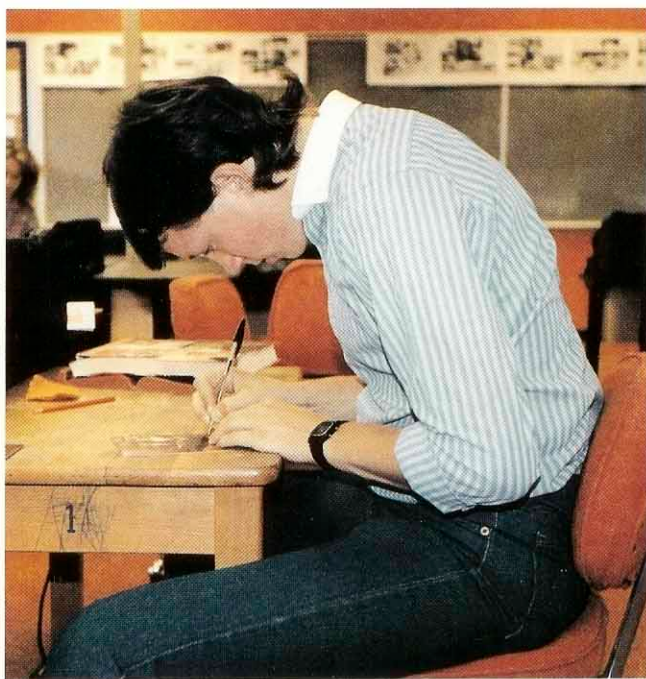

PANTHERS AT WORK

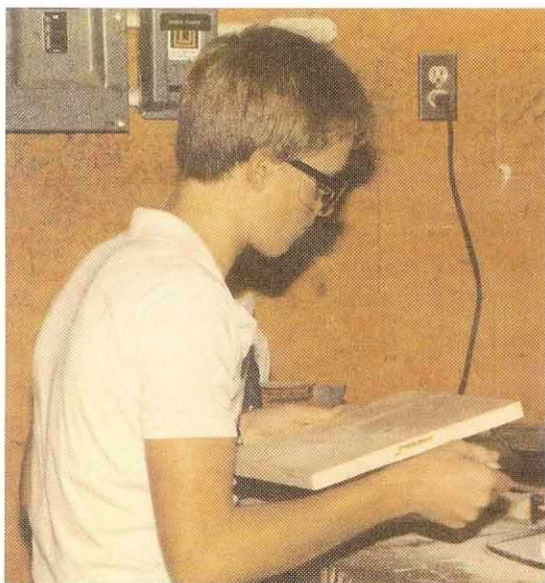

HANDS ON-EXPERIENCE FOR VO-TECH

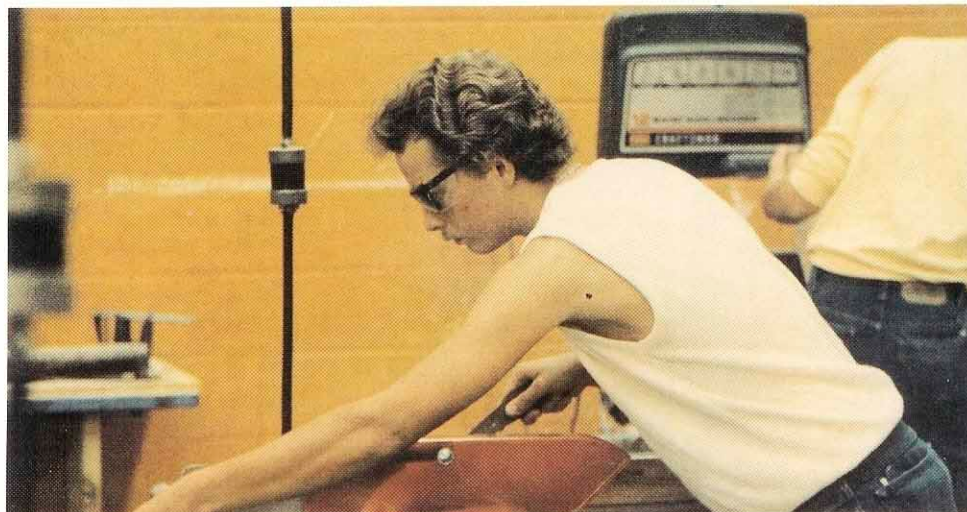

Alan Wyatt — Genius burns!

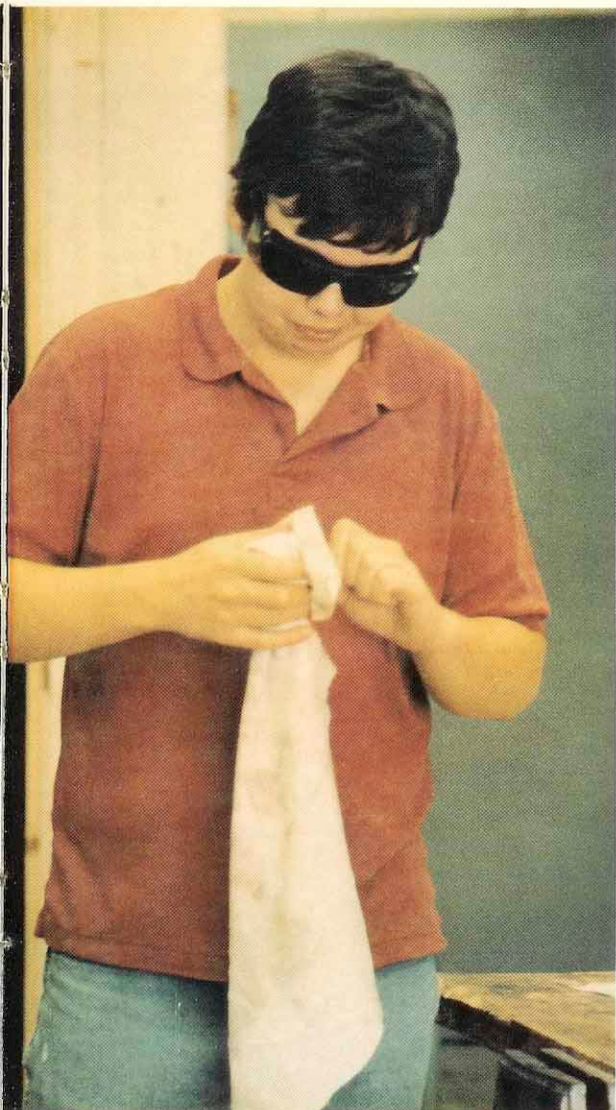

Marty Jordan — Hard at work!

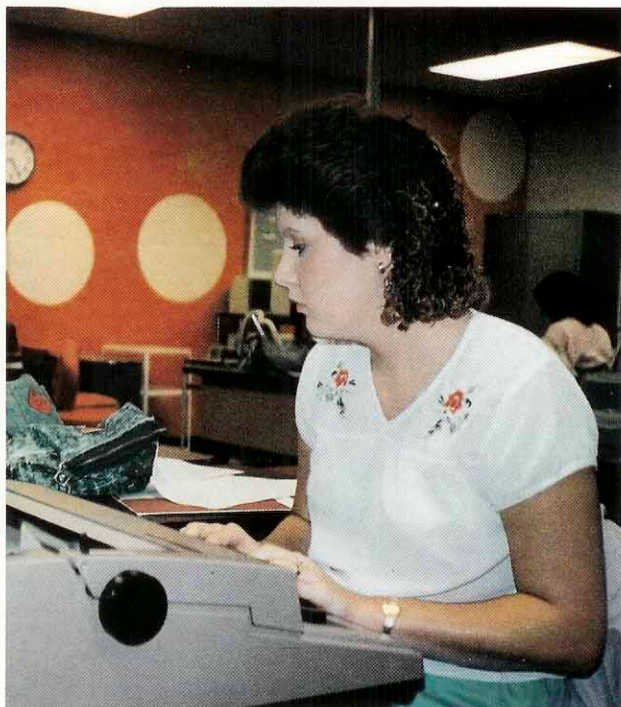

Roy Laird — Cuttin' it!!

Tracy Crosby — "I thought this class would be easy!"

Christy Funderburk — "Do it right the first time!"

Ritchie Brawley — "Excuse me!"

Wayne Gibson — "Where is it?!"

Tim Williams and Tiffany Hayes — "And you think you're pretty!"

PANTHERS AT PLAY

"All work and no play makes Jack a dull boy!" so the old saying goes. The Panthers in these pictures proved that school is not all hard work. There's always time for a little fun. You can even have your hair fixed!

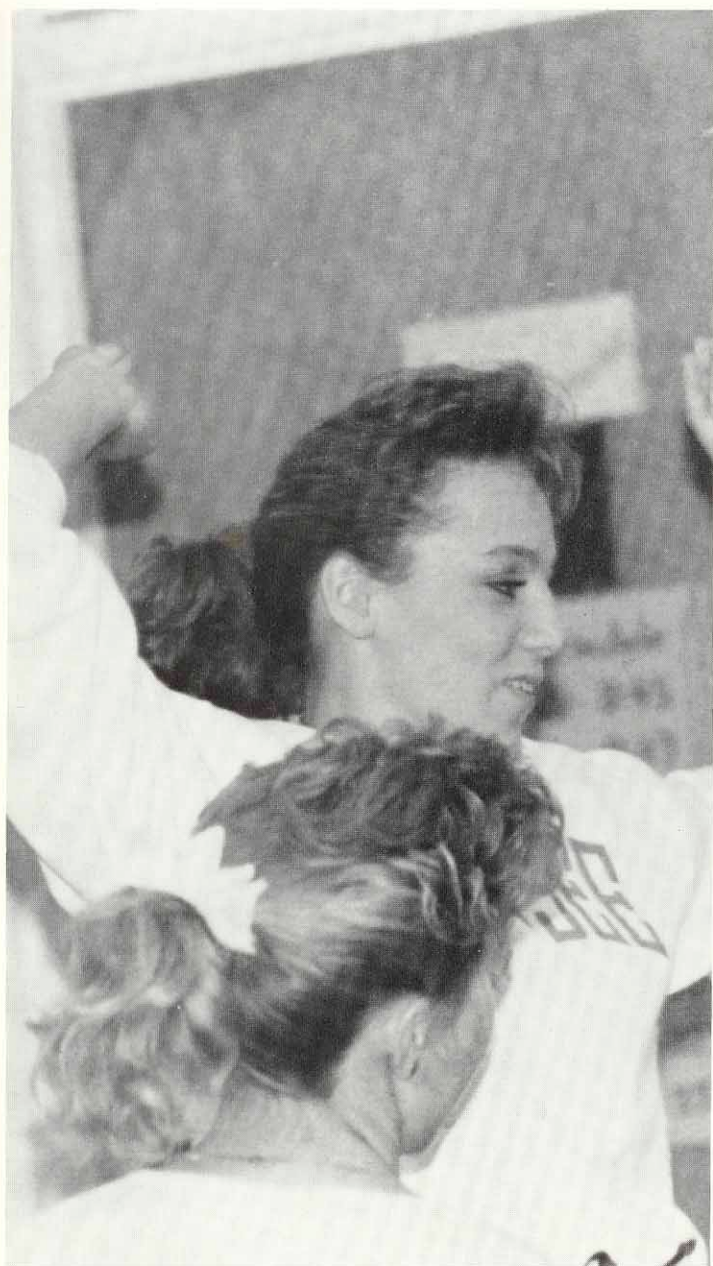

Mark Mathis and Charity Robins — Hmm . . . Cooties?!

Philip Burns and Kirstie Cottrell — Scramble it!!

Robbie Boggan — Hanging loose!

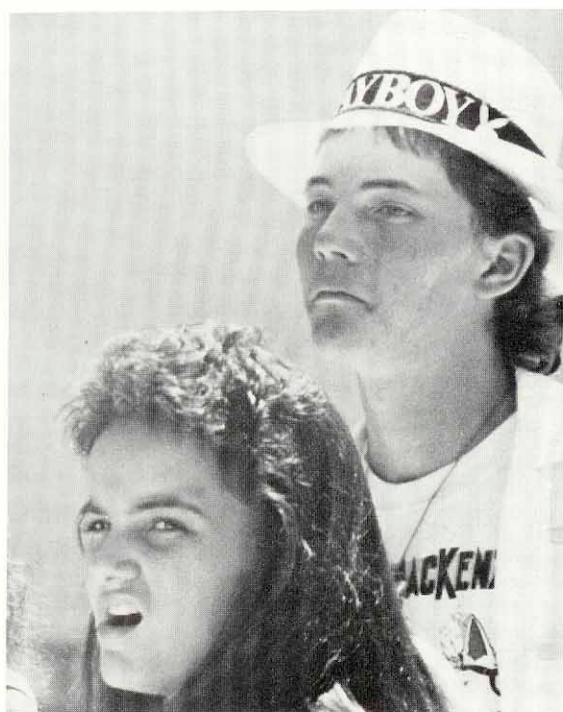

Stacey Rossen — "I didn't mean it!!"

Chris Hayes — "It's like this ..."

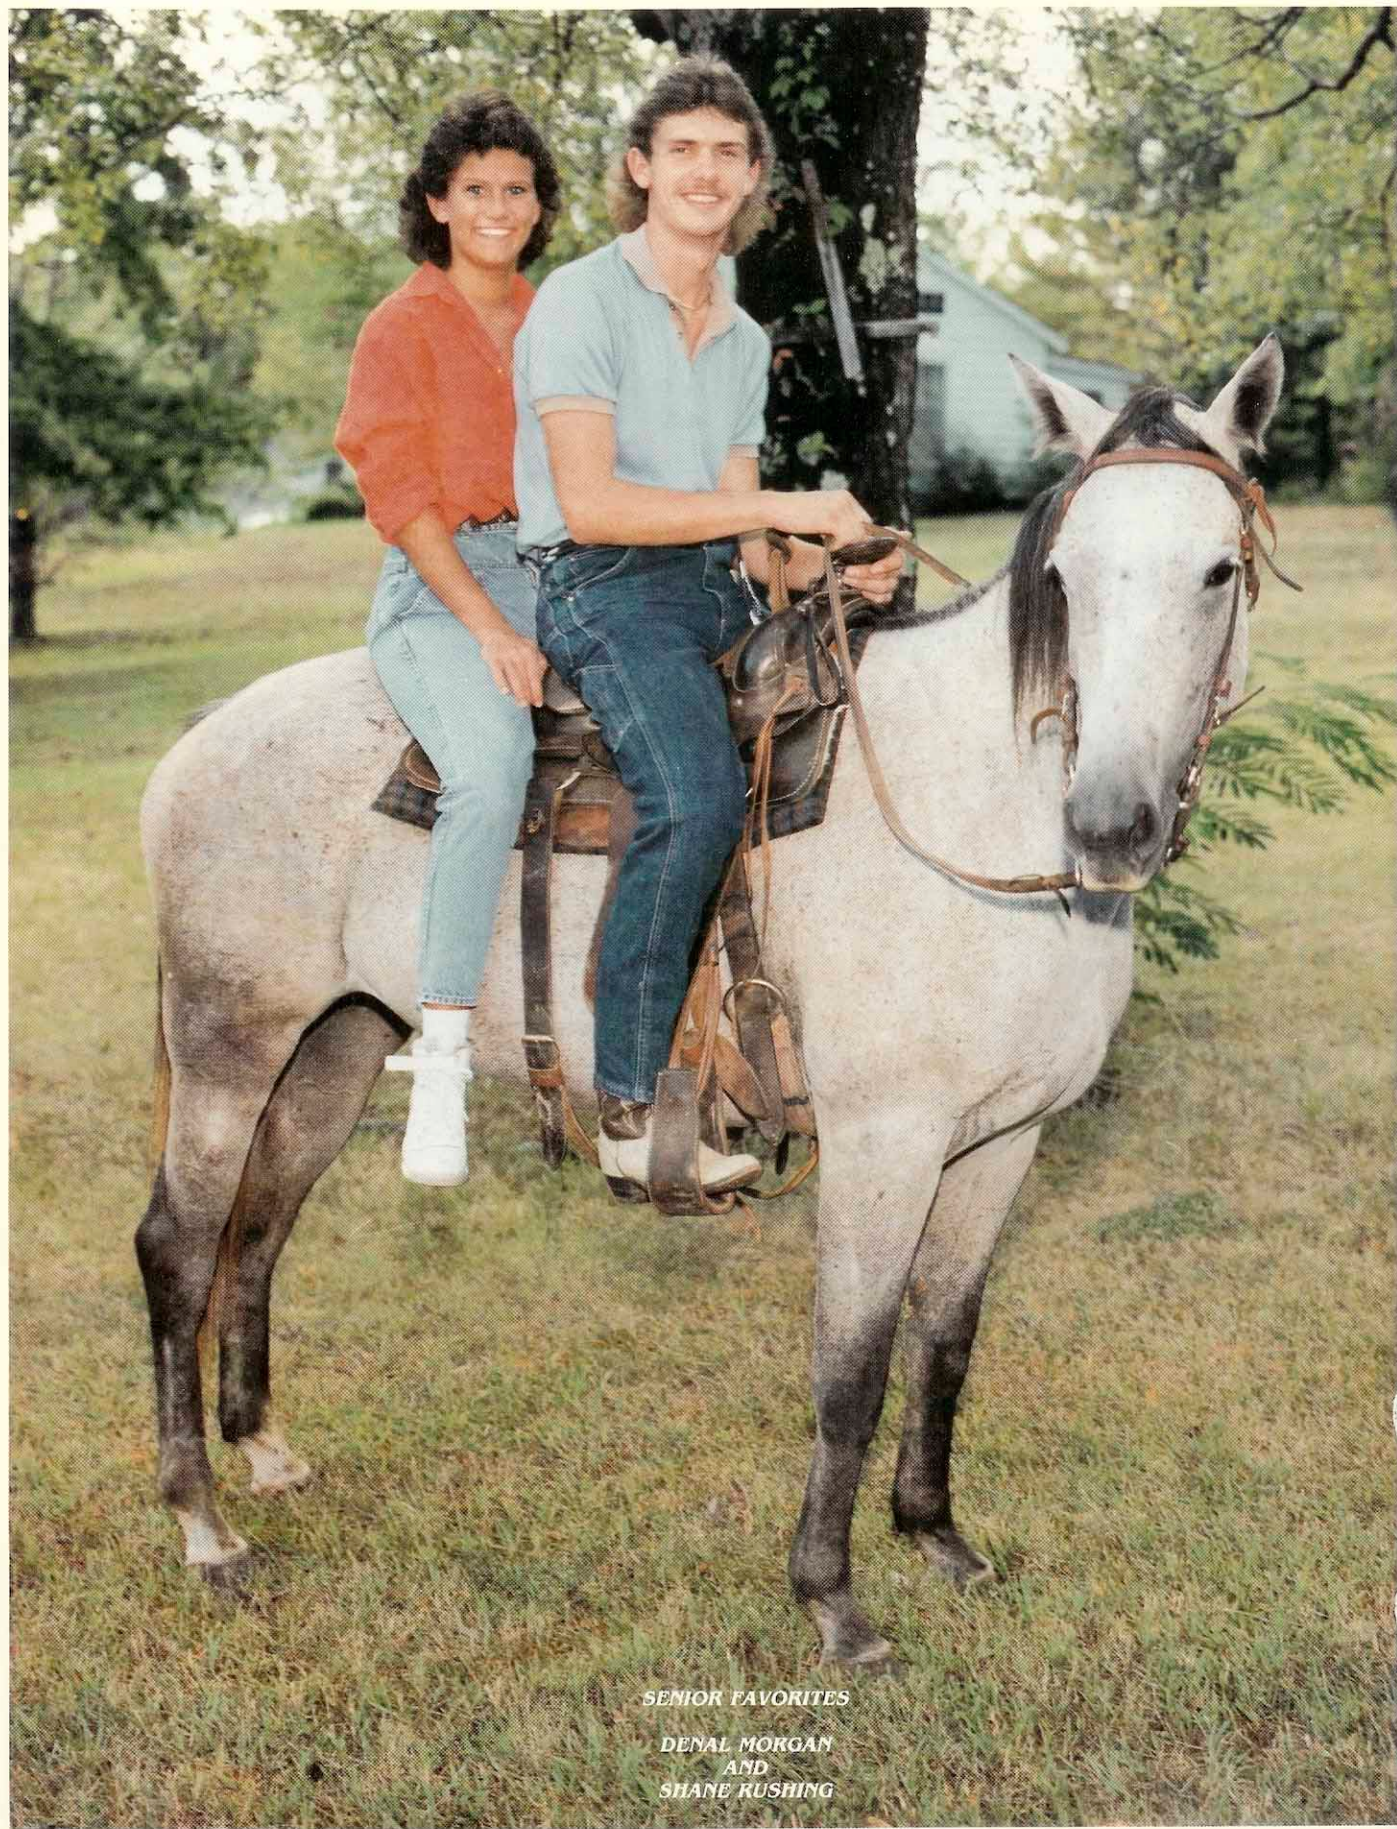

Carol Crawley, Chip Walker, and Kim Shaw — "Let's put our heads together on this!"

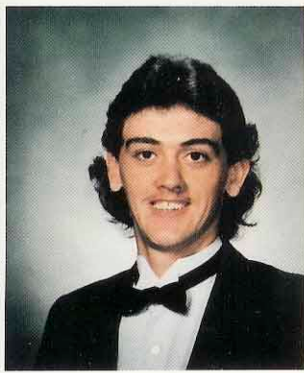

Misty Yarbrow and Paul Holcomb — "You're kidding!!"

The Junior Class of Riverside High School may not be the most outstanding, but at least we know how to have fun! This year the junior class has been busy with working on the prom, we have sold doughnuts to raise money for the science club. Next year we will be SENIORS!! Hopefully Riverside can stand up to our force!!

Whether it be teaching or keeping our school spit-spot, the faculty at Riverside play an important part in our schooling system, though the faculty has many different responsibilities and a variety of job titles, they all are here for one common purpose, the furtherment of our education.

Though sometimes this job may be somewhat trying and challenging, the faculty always maintain their evident concern for the students here at Riverside. This section is dedicated to those who work to spark The Dream, the dream of a promising, educated future.

Mu Alpha Theta English Honor Society

Advanced Classes of Riverside

Just this year the English Honor Society has been extended to all grade levels. To become a member of an Honors English Class, you must have a great interest in English Literature and be willing to work "a little harder."

Mu Alpha Theta, the national high school and junior college mathematics club, promotes interest in the understanding of mathematics. The object of the

Association as stated in its by-laws is "to assist in promoting the interests in America, especially in the collegiate field." At least three semesters of algebra and two of geometry and one semester of more advanced mathematics must be taken. Mu Alpha Theta measures its success in terms of service rendered to members who find an active place in the modern world of mathematics.

Mu Alpha Theta officers are as follows: Tracie Miller, President; DeLisa Montgomery, Vice President; Carol Crawley, Secretary-Reporter; and Will Quinn, Treasurer.

The History Club is an organization developed to assist those students who have a growing interest in history. It is composed of those students in American History, World History, and World Geography. The sponsor, Mr. Michael Lee, has helped in organizing field trips, such as, taking his American History classes to Freed Hardeman College.

The Science Club is an organization dedicated to the development of students interested in science. The membership is composed of those students enrolled in Chemistry, Biology II, or Physics. A certain grade point average must also be maintained. Our sponsor, Mrs. Carol Vestal, has helped us this year by

sale to raise money for lab equipment and field trips.

OFFICE EDUCATION ASSOCIATION

"We are met in the spirit of friendship and good will as we prepare for lives of service in office occupations. We work together to attain the goals of OEA and pledge our loyalty to our nation."

Office Education Association is an organization that prepares its members "for lives of service in office occupation."

OEA is an important part of the VOE classes. Members in OEA participate in a variety of competitions ranging from job interview to business math. Contestants compete on a local, regional, state and national level where the prizes are well worth the effort.

OEA members also participate in civic projects such as the Halloween party for the CDC class and the "Food for Families" drive at Christmas time.

OEA members develop many friendships through the various activities they participate in.

Three cheers for OEA!

FUTURE FARMERS OF AMERICA

"I believe in the future of farming, with a faith born not of words but of deeds — achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years"

The FFA is a national organization of students enrolled in vocational agriculture/agribusiness in 50 states and Puerto Rico. All students in these programs are to receive instruction in personal leadership growth and development which can best be achieved through the FFA.

Through active participation in the FFA, members learn by taking part in and conducting meetings, speaking in public,

participating in contests based on occupational skills, earning awards and recognition and becoming involved in cooperative efforts and community improvement. The FFA offers the opportunity for achieving a personal goal of becoming productive citizens in our democracy.

Student Council/ SADD

SADD

Students Against Driving Drunk is an organization established to provide as agreement between student and parent on the issue of driving drunk. The club has provided peer counseling for students to aid in handling the problems involved in being a teenager. This year the club is planning the first annual "Project Graduation" for the class of '88'.

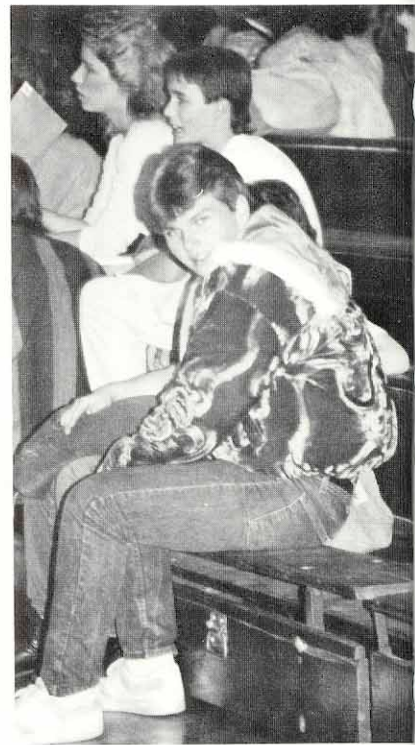

Government is an important part of our lives, and student government is an important part of our school. Student Council is an organized way of expressing students' thoughts and feelings on school matters to the faculty and administration. The officers and representatives are there to represent the students.

FUTURE HOMEMAKERS OF AMERICA

"We are the Future Homemakers of America. We face the future with warm courage, and high hope."

The Future Homemakers of America's main objective is to help youth assume their roles in society through home economics education in areas of personal growth, family life, job preparation, and community involvement. Their many purposes include : To provide opportunities for self-development and preparation for family

and community living and for employment; to encourage democracy through cooperative action in the home and community; to institute programs promoting greater understanding between youth and adults; and to develop interest in home economics, home economics careers, and related occupations.

Miss FHA is Jennifer Quinn.

Well, it's not all that hard!

The Family Leaders of Tomorrow are Lori Taylor, Grant Crowell, Stacey Pearcy, and Leigh Ann Inman.

Too many cooks in the kitchen??

Vocal

The Drama and Vocal classes were just added to Riverside's schedule last year, but already they have become an important part of this school.

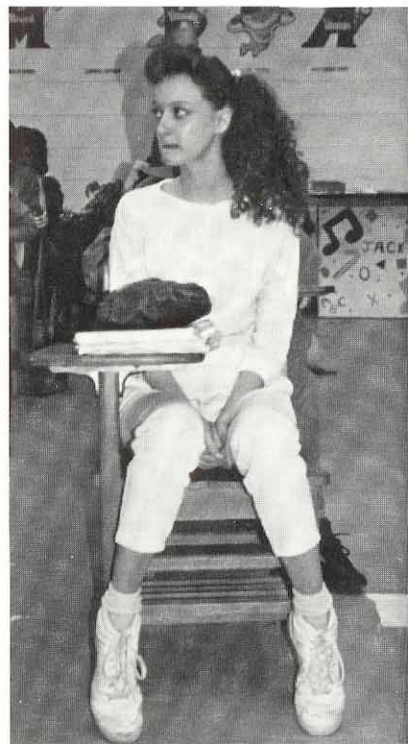

Drama classes have put on several plays in and out of school, and Vocal classes have performed at such prestigious events such as the 1987 graduation. This year, both Drama and Vocal put on the play "Mr. Grumpy's Toy Shop", performing for all the local schools, for the public, and for the students at Riverside. These classes really bring out the best of people at R.H.S.

Nan Fox: "Get these peasants away from me!"

"Oh, I hope I get the part" thinks Kimberly Scott.

Homecoming Parade

Homecoming Processional

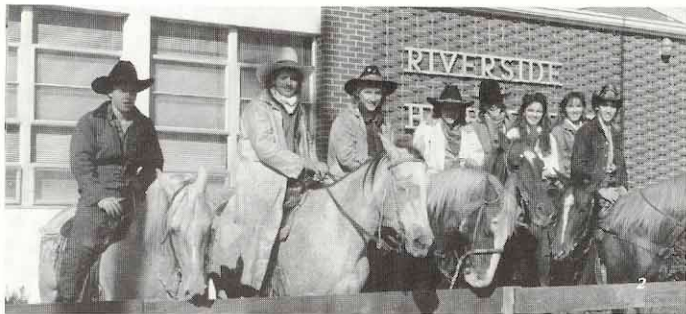

Practicing for the Homecoming Ceremony

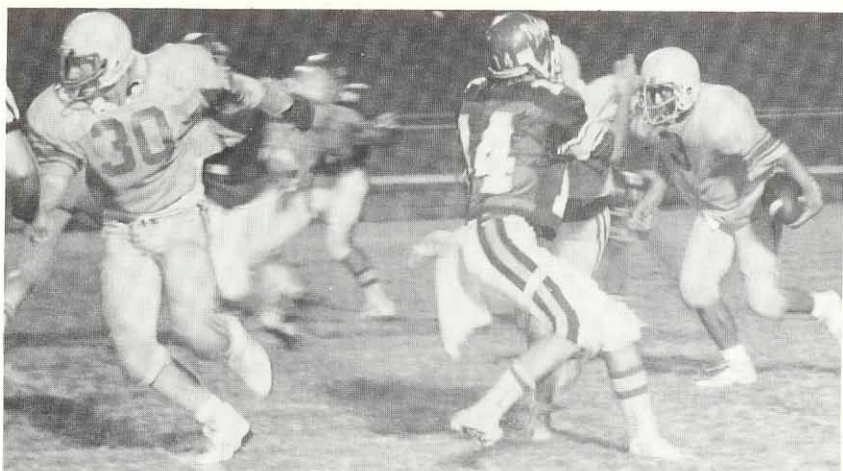

Seniors Burying Pennies Under the Goalpost

One last time for the Class of '88.

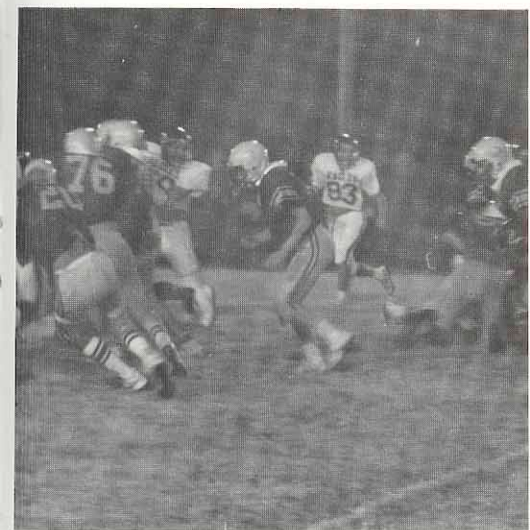

Is this some kind of costume party or what?! No, it's just a few students showing their pride in Riverside by dressing up for Spirit Week!

1. Pajama Day
2. Western Day
3. Nerd Day
4. 50's Day
5. Blue & Gold Day

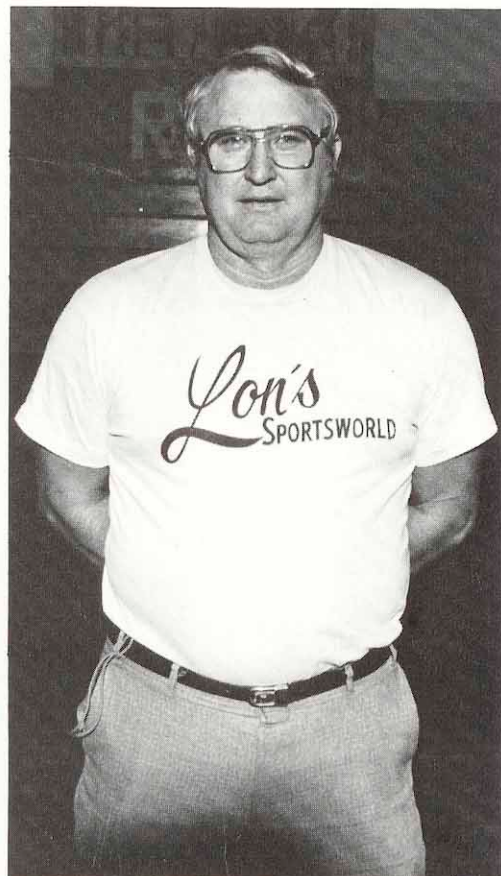

Dressing up in wild costumes; hauling wood; ordering mums; going to the bonfire; decorating cars; parading through town; pep rallies, and burying pennies: It's all part of a very special tradition at Riverside High School — Homecoming Week. All week long, excitement coursed through the halls of Riverside as students boosted up their spirits and prepared for the big night. Panther pride was everywhere, even in the gold of the autumn leaves against the blue October sky. Homecoming week came to an exciting close with a sweet 21-7 victory over Chester County, but although Homecoming '88 is over, the tradition will live forever at RHS.

Memories of Friends

*Two friends whose lives we all shared.
Two special friends for whom we all cared.
If you were even around them you surely could
see
They were filled with the excitement of being
happy and free.
We must think of them often — in a happy way
And think of them always — every day.
As we think of them remember the good times
we had
And thinking of this will help us to forget the
sad.
So please, when you read this,
Be happy and gay.
For David and Paulette would want it that way.
Please listen to me — for I too care
They are happy and free — somewhere out
there.*

THE YEAR IN REVIEW

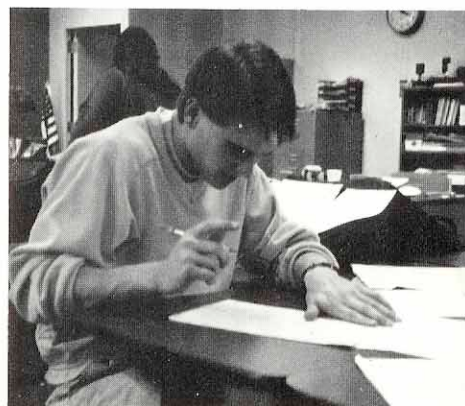

YEARBOOK

*Through puddles of liquid paper and
piles of pictures, we managed to claw
our way through the year.*

Gotcha, Jeremy!!

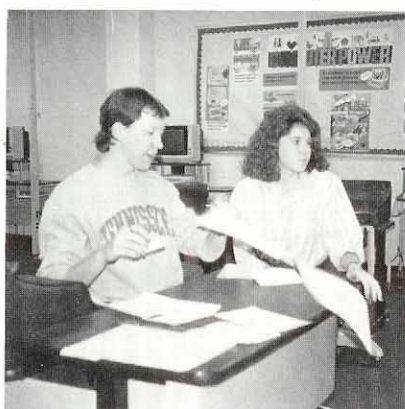

*Grant gets an idea
"I need more copy!"*

Trippin' Out!!

"Mrs. Wood said so."

What a group!

"Kelley, are you listening to me?"

Our leader, Mrs. Wood, forgets her name occasionally.

"It's gotta be in here."

DeLisa works on the yearbook.

. . . But you can take it with you.

The End
